

Title: COVID-19 Temporary Trade Measures - **Brazil**

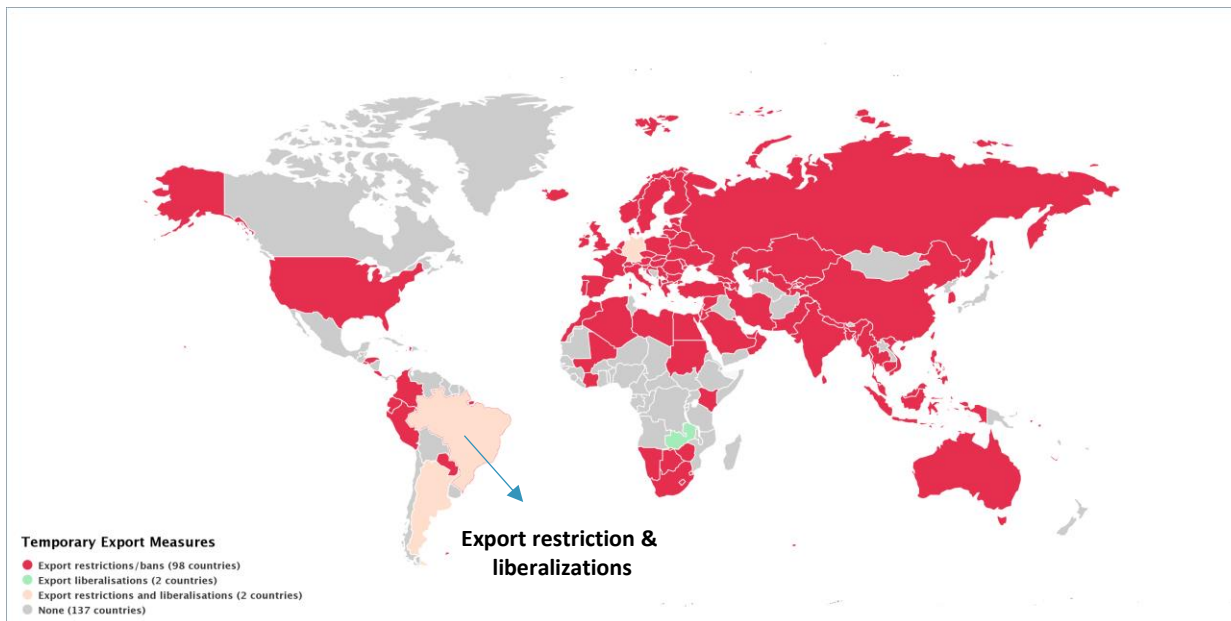

Date: **November 2020**

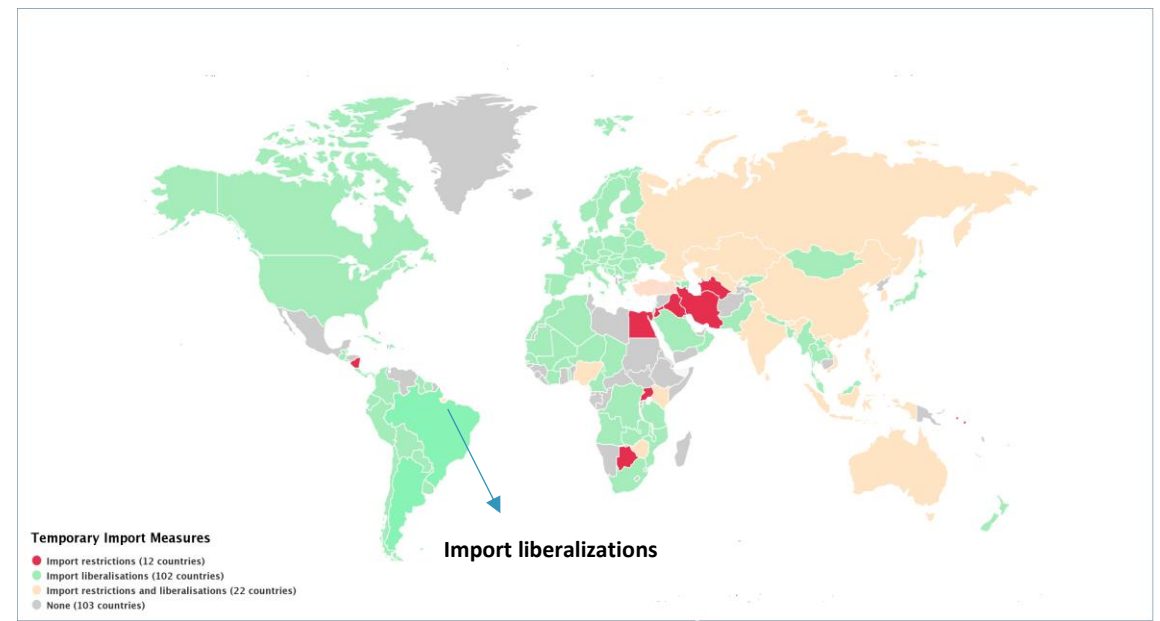

This bulletin shows temporary trade measures enacted by government authorities in relation to the COVID-19 pandemic, which is rapidly spreading across the world. Governments are swiftly enacting temporary trade measures that aim to restrict exports and to liberalize imports of commodities.

This bulletin focuses on many products, like medical devices, protective equipment, pharmaceutical products, food products and other products.

Export measures

Import measures
